GOD CREATED EVE TO BE ADAM'S BRIDE.

God had made a male and female of each animal, but for Adam there was no mate. Then, in His last act of creation on the sixth day, God formed a woman from Adam's side (Genesis 2:20-24). God had created a perfect man and woman to live as husband and wife in the beautiful Garden of Eden. As God's steward, Adam was to care for the Garden. At that time, neither mankind nor animals ate meat—only plants. No animal killed and ate another at that time (Genesis 1:29,30). By God's command Adam and Eve were free to eat the fruit from any tree in the Garden, except one—the tree of the knowledge of good and evil.
