

**ON THE SIXTH DAY, GOD FIRST CREATED LAND ANIMALS.**

“And God said, Let the earth bring forth the living creature...” — three groups of animals — “cattle, and creeping things, and beasts of the earth after his kind...” (Genesis 1:24). “Cattle” may represent what we would today call farm animals, animals which would live close to mankind and be useful to man in many ways. The term “creeping thing” could include insects and small animals such as turtles, frogs, snakes, and mice. “Beast of the earth” could include large wild animals such as elephants, rhinoceroses, and land dinosaurs.
