

**BY ADAM'S SIN CAME DEATH AND DECAY – THE PERFECT WORLD WAS CHANGED (Romans 5:12).**

The moment Adam and Eve sinned and experienced spiritual death (separation from God), they also began to grow old and die physically. God's entire "creation was made subject to vanity" – that is, "The bondage of corruption" – and decay (Romans 8:19-22). The Earth began to "wax old, as doth a garment," and someday it "shall perish" (Hebrews 1:10-12). After Adam's fall, it became universally true that everything would eventually run down, grow old, wear out, die, decay, and return to the dust.
