

IT IS JESUS, THE WORD AND SON OF GOD, WHO UPHOLDS THE FORCE OF GRAVITY BY HIS POWER (Hebrews 1:3).

Gravity is a mystery! Modern science doesn't really know what causes its force. It is known, however, that *without* gravity, the Solar System would fly apart. But the same Jesus who created the Solar System sustains (upholds and supports) it. He established gravity and other natural laws. "...All things were created by Him (Jesus) and for Him...and by Him all things consist (or hold together)" (Colossians 1:16,17).
